# EVERTON CHURCH ARTS, CRAFTS AND OPEN GARDENS

What a great time was had by all those who visited on Sunday, 22nd and helped to raise much-needed funds for the Tower Repair Project. There were many people from outside the village who had seen the publicity or been told about the day by villagers.

So many people helped in the creation and running of the event that it's difficult to remember them all but we will try and give them huge thanks for everything:-

The two main organisers, Sid and someone who doesn't want her name to be noted (but we all know who she is!!)

All the craft people who showed their talents and had time to speak to anyone wanting to know more.

The gardeners who worked on and showed off their lovely gardens to visitors, and again took time to talk.

The Lost Garden project team for educating and showing people around the project site.

All those who provided cakes, etc. and/or served the thirsty visitors.

The businesses and trades that sponsored the event and gave prizes for the raffle.

The Art group for organising the Marianne Cox paintings Auction, and to the Hall family for generously giving the paintings.

Everyone else who sold tickets and welcomed visitors.

If we have forgotten anyone who gave time or a donation, please accept our apologies, but know that your contribution was gratefully received.

## UPDATE ON TOWER PROJECT

It's a slow process getting these projects going but we are at a stage where we only need the funds and a time slot from the Contractor to get the work done, hopefully before another winter which will cause further damage.

A further deadline is that, in order to be able to claim back the VAT for the work (roughly £16000), we have to get the works completed by March 2026 when the Listed Place of Worship Grant scheme comes to an end.

We have engaged the Architect and Contractor.

The necessary planning permissions for working on a Listed Building have been granted

Grant applications have been made and we have had some small success with funding. This, along with proceeds of events like the Arts, Crafts and Open Gardens day and generous donations means we can now apply for the larger Grants which require matched funding or a certainty that we are able to carry through the works.

If anyone would like to make a donation of whatever value, please contact John Dunn (818732), Peter Borrowdale (949029), Paul Kirby (816840), or Rev Becky. We assure that it will be gratefully received.

## 22ND JUNE 2025

Sid and I would like to express our personal thanks to everyone who made the event on 22 June in the village possible.

You were all fantastic – nothing was too much trouble, fab gardens, crafts for people to have a go at, amazing sponsorship, delicious refreshments and amazing help to make all this happen.

We are so grateful and YES, we did enjoy our day but slept well that night.

Thanks to you all.

# The Painter's Daughters

by **Emily Howes**

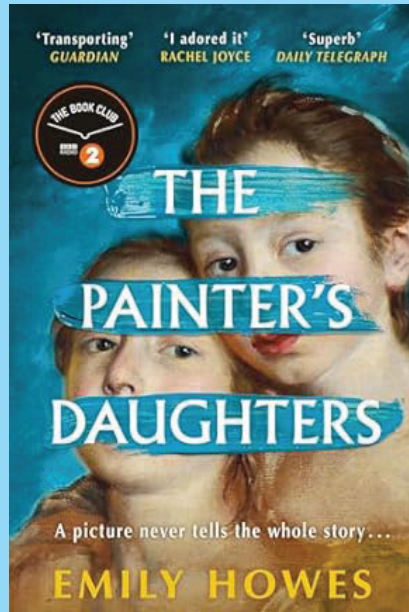

The story opens in Ipswich in 1759. Sisters Mary (Molly) and Margaret (Peggy), daughters of Thomas Gainsborough, live an idyllic life in the freedom of the countryside, running barefoot playing in the fields. They spy on and are fascinated by their Father when he is painting. They annoy their Mother when she is trying to get on with her daily tasks. They are inseparable, not least because Molly (the eldest daughter) has a mysterious affliction which causes her to become confused and to forget who she is. Peggy instinctively from a young age realises that this affliction must be kept secret.

Things change dramatically for the sisters when the family moves to live in Bath and their Father finds fame as a portrait artist. They are expected to live within the constraints of high society and the strict codes of behaviour there. This becomes increasingly difficult as Molly's affliction worsens as she gets older and Peggy struggles more and more to keep the secret and shield Molly.

When Peggy falls in love and is betrayed their lives are in turmoil and Peggy questions the validity of protecting Molly all her life.

Inspired by true events this is a fascinating and moving story of love, commitment, betrayal, sacrifice sisterhood and art.

## EVERTON Primary School

"Everton Primary is a supportive learning environment. The teachers really care about the children's well-being." Parent View. Ofsted 2023

"Pupils and staff get on well at this school. Relationships are consistently positive." Ofsted 2023

On Friday 6th June 2025 the children in years 1 – 6 enjoyed a wonderful Sports Day on the Metcalfe Field. We are so fortunate at Everton Primary School to have such a beautiful and well-kept place to have our Sports Days as well as other sporting events. All children took part in schooltime classics: sprints, beanbag, egg and spoon and relay races. The week after, Friday 13th June 2025 was our EYFS Sports Day in glorious sunshine, where parents and carers were able to watch our future superstars taking part in the familiar sports day events. Thank you to all parents and carers and to Martyn Snell, groundsman at the Metcalfe Field for preparing it so beautifully and efficiently.

On Thursday 19th June our School Musical Theatre Group, together with Miss Spencer, took part in the annual 'Sing Out' music festival at Doncaster Dome. The children performed medleys of different genres of music, with previously learnt dance routines, in front of over a thousand people alongside other school groups from across the Doncaster area. We are incredibly proud of all who took part.

In other news, unfortunately our wonderful PTA has sadly come to an end, and we're now in need of new volunteers to carry on the amazing work they've done for our school. Whether you're a parent, grandparent, or a local friend of the school, we'd love to hear from you. Even if you can only spare a little time, your help could make a huge difference. Without a new PTA, our children risk missing out on the extra events, support, and opportunities that make life so special at Everton Primary School. Therefore, if you can help in any way at all, no matter how big

or small, then please get in touch with me via the school office to find out more information about what the role would entail.

Everton Primary School is a wonderful, friendly and happy school which gives opportunities for children to be children and a wide range of activities and cultural capital experiences such as the ones described above. If you are currently looking for Nursery and Reception places then please apply to join the EverTeam! If you would like to arrange a school visit or ask any questions about school admission, then please feel free to call or email school on 01777817350 or [office@everton.notts.sch.uk](mailto:office@everton.notts.sch.uk)

## UPDATE ON ORIGAMI CRANES

Cranes are a symbol of hope and peace.

As you may know, Everton WI and The Knitting Group have been making origami cranes to commemorate VJ Day on August 15th. Thank you to all the lovely people joining us to make cranes in the church at the Village Craft Event.

We now have 836 - only 164 to go to reach our target of 1000. They are to be displayed in Everton church, ready for VJ Day.

We will be in church from 10 am on Monday, 11th August, to stitch them together and hang them up.

If you would like to come along to help, you would be most welcome. There will be cake!!

Many thanks **Diane Howe**

## HEDS choir Fundraiser: How to raise over £1200!

The HEDS choir performed on Friday 30th May in the village hall to raise funds for MNDA as part of The Running Grandpa's (AKA Tom Preece) year long challenge. This was their first professional performance where the audience paid to hear them sing!

Over 50 choir members entertained a packed out audience to a full evening of entertainment led by Paul Sydney and accompanied by Lawrence Good. Angela and Doug Haynes ran a bottle in a bag tombola, Ann Hickman and Laurent Berges served refreshments and a huge total of £1266 was raised from village donations on Just Giving, ticket sales, choir donations, tombola and refreshments revenue. This has taken Tom's total on Just Giving to £2139 raised so far this year.

It was a wonderful evening supported by our local MNDA representatives and everyone had a marvellous time. Everyone had their spirits lifted.

Everton community at its best! Thanks to all who made this happen.

## Everton Art Group Exhibition

Everton Art Group held their first Art Exhibition in the Village Hall over the weekend Fri 06 June to Sun 08 June and were delighted with the support they received from the village. A very big thank you to all who attended – we had an excellent Exhibition and look forward to putting on a similar event in 2026.

# Troubled Times

Living in troubled times are we.

Wars are here and there, inflation, shrinkflation, cost of living, plastic in snow, blood and brain, PFAS in water, melting ice, warming oceans and dare I mention the wokeness of woke - climate change!

The list of trouble is legion beyond the above.

Our kind for the most part are wanting food, clean water, shelter and a partner to share our joy and woe with. What else do we need as humans? But we crave much more.

Money is needed today to buy or acquire all the above, but never just enough. We are conditioned to want more than that which we need. Bigger house, better car, fashion change of clothes every time we look at social media, more exotic holiday than our neighbours, be the richest person in the world and everything that goes with being alive in the 21st century.

The streamed series Silo, is based on one of the episodes of the Wool trilogy by Hugh

Howey, an imposed dystopian arrangement exposing man's constant hunger for more than he needs. It is a salutary novel telling the story of the consequences of unbridled greed and its effects on the world with its very unique approach to educating mankind to be mindful of the consequences of their actions. It was an interesting read with a highly improbable scenario but also with thought provoking themes.

Many troubles arise from man's intolerance of others. It seems we are incapable, for the most part, of tolerating differences in other people. Racial, religion, colour, eating, sexual orientation, and even the opposite sex are all unfounded reasons to dislike or hate, despise or harm someone or even a country.

It is likely that it is going to take a geological time to reconcile our basic instincts of greed and hate with the imperative to leave something to future generations and to rub along with people that are different to ourselves.

In the meantime how about we try turning our heads when the urge to hate comes along and think of future generations when squandering our cash on useless stuff?

# TONY'S TOPICS

## Money

There is a general feeling that the State, rightly or wrongly, is out to get our money. Threats of money laundering in personal bank accounts, investigations by HMRC, and taxes, both direct and indirect, are all increasing. Thus contributing to the erosion of trust in the financial sector. The Government is constantly advocating a digital currency, and it doesn't help when the EU Commission dials up the rhetoric.

The European Commission wants to boost Europe's economy by redirecting the savings of citizens across the EU. The Commission has unveiled a plan to better channel up to 10 Trillion Euros in bank deposits across the bloc into much-needed strategic investments. This is the aim of the SIU, Savings and Investments Union. Plenty of gobbledegook there, but one thing is certain: the globalists are after a Digital ID and a Digital Currency. The current crop of so-called elite politicians takes what they want, with little regard to the consequences for ordinary citizens.

## Oil

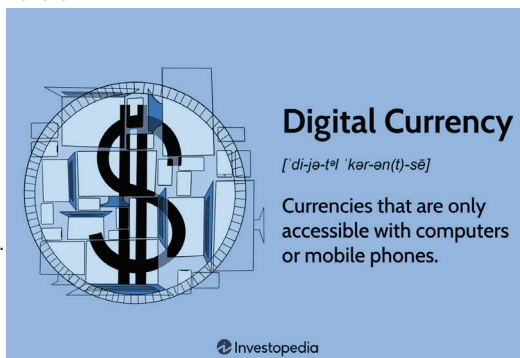

I will recommence the oil ordering syndicate on Monday, 4 August. The dates for the rest of 2025 are as follows:

1 Sep  
6 Oct  
3 Nov  
1 Dec

There are 2 items of good news regarding our oil central heating. Firstly, the price of crude oil has fallen to around 60 dollars a barrel, so initially, prices per litre of heating oil should be lower. Secondly, the oil boiler ban, initially planned (new build)

for 2026, has been pushed back to 2035. After this date, the ban will not affect existing homes with oil boilers until the boilers are replaced. Then who knows what will be proposed?

## DANCING WITH THE WI

June saw Everton WI upping the tempo from the May meeting of Tai Chi when we took to the floor with line dancing. Excellent instructor led us through the sequences – some of those there were already experts – but for the uninitiated, it was a real learning experience – but what fun. We all had a go – some of us not turning at the right time, and the person we had been following was no longer in front of us. It was a real fun evening with lot of laughter. Oh, that we had more line dancing in Everton.

Our July meeting on Monday 21 July is Edible Flowers – intrigued, well we all are – so come along to the Village Hall at 7.30 that evening and learn about something new. Visitors are welcome, there is a charge of £5.00 for the meeting, refreshments and a raffle ticket. See you there.

**ANN 818993**

## Village Coffee Morning

The dates for May coffee mornings are TUESDAY 8TH and TUESDAY 22nd – so we look forward to seeing you all then. Times are 10.30 – noon in the Village Hall – everyone welcome.

See you there. **Ann 818993**

## Print quality of advertisements

Although we always try to ensure that our advertisements are well presented, unfortunately from time to time, some of our advertisements may be a little faint and lacking definition or clarity. This is because the printing process we have to use to produce HEDS Together works better where the original document is solely in black and white and with no background colouring.

It would greatly assist the editorial team if, when submitting advertisements for publication, advertisers are able to use black and white with limited use of background wherever possible.

May we thank you for continuing to support HEDS Together and should you need any assistance we will be only too pleased to help.
